## LEGISLATIVE ASSEMBLY.

### PRIVATE BILLS.

#### EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

##### *Rule 76.*

**A**LL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published*. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also

at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$  inches by 7 $\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

#### DOMINION ORDERS IN COUNCIL.

P.C. No. 548.

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Wednesday, the 11th day of April, 1926.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

WHEREAS the Government of the Province of British Columbia has applied, under the terms of an agreement between that Government and the Government of the Dominion, confirmed by the Order in Council of the 13th December, 1897 (P.C. 3662), for a grant of the undermentioned lands, lying within the "Atlanta" and "Horse Shoe" Mineral Claims, being Lots 134 and 266, Kootenay District, respectively, the said lands being:—

"Those certain parcels or tracts of land situate in Sections Eight, Nine, Sixteen, and Seventeen in the Twenty-third Township, in the Eighteenth

Range, west of the 5th meridian, comprising the Atlanta Mineral Claim, being Lot 134, and the Horse Shoe Mineral Claim, being Lot 266, of the Golden Mining Division of Kootenay District, in the Province of British Columbia, which said parcels may be more particularly described as follows:—

"Firstly: Beginning at a standard post situated two thousand and ninety-three feet and one-tenth of a foot, more or less, north and two thousand and twenty-one feet and five-tenths of a foot, more or less, west from a standard post, pits and mound, erected on the 13th day of October, 1918, by N. C. Stewart, D.L.S., to mark the centre of the said Section Nine; thence on a bearing of sixty-four degrees and thirty-nine minutes a distance of five hundred and ninety-six feet and seven-tenths of a foot, more or less, to a standard post; thence on a bearing of three hundred and thirty-four degrees and fifty minutes a distance of one thousand five hundred and two feet and four-tenths of a foot, more or less, to a standard post; thence on a bearing of two hundred and forty-four degrees and eighteen minutes a distance of six hundred feet, more or less, to a standard post; thence on a bearing of one hundred and fifty-four degrees and forty-one minutes a distance of one thousand four hundred and ninety-eight feet and seven-tenths of a foot, more or less, to the point of commencement; the said parcel containing by admeasrement twenty acres and sixty-one hundredths of an acre, more or less:

"Secondly: Commencing at the most westerly standard post in the above-described parcel of land; thence on a bearing of three hundred and forty-five degrees and thirty minutes a distance of three hundred and forty feet and four-tenths of a foot, more or less, to a standard post; thence on a bearing of two hundred and fifty-five degrees and fifty-five minutes a distance of five hundred and ninety-nine feet and eight-tenths of a foot, more or less, to a standard post; thence on a bearing of one hundred and sixty-five degrees and forty-four minutes a distance of one thousand six hundred and seven feet and seven-tenths of a foot, more or less, to a standard post; thence on a bearing of forty-two degrees and forty-five minutes a distance of thirty-six feet and three-tenths of a foot, more or less, to a standard post; thence on a bearing of forty-two degrees and fifty-seven minutes a distance of six hundred feet and five-tenths of a foot, more or less, to a standard post; thence on a bearing of forty-two degrees and twelve minutes a distance of seventy-two feet and three-tenths of a foot, more or less, to a standard post cemented into rock; thence on a bearing of three hundred and forty-five degrees and fifty-seven minutes a distance of eight hundred and seventy-nine feet and eight-tenths of a foot, more or less, to the point of commencement; containing by admeasrement an area of nineteen acres and forty-six hundredths of an acre, more or less; all the said bearings being astronomical; all according to a plan of the said mineral claims approved and confirmed by E. Deville, Surveyor-General of Dominion Lands at Ottawa, on the tenth day of February, 1919, and of record in the Department of the Interior under Number 27974":

And whereas in 1889 the Provincial Government issued Crown grants covering these claims, but on the definition of the boundary of the Railway Belt it was found that they were within the Belt:

And whereas clause 6 of the agreement above referred to provides that:—

"The title to any lands which upon the completion of the survey of the boundaries of the Belt or any portion thereof have been found to have been alienated by the Province under the belief that they were outside of the Belt, but which are ascertained by such survey to be within the boundaries of the Belt, shall be confirmed by the Dominion upon receipt from the Province of the purchase-money therefor, and the title to any lands which upon the completion of the survey of the boundaries of the Belt or of any portion thereof have been found to have been alienated by the Dominion under the belief that they were within the Belt, but which are ascertained by such survey to be outside the boundaries of the Belt, shall be confirmed by the Province

upon receipt from the Dominion of the purchase-money therefor":

And whereas the Provincial Government states that in this case the lands were located and the Crown grants issued under the provisions of the "Mineral Act" of British Columbia in force at that date, and no consideration in the way of purchase-money was received for them:

And whereas the Minister of the Interior states that under clause 6 of the agreement above referred to the practice has been to issue a confirmatory grant to the patentee covering the surface rights only, and that in the present instance, however, it appears that since the date of the issue of the Crown grants the claims in question have reverted to the Province for non-payment of taxes:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the title to the lands herein described, containing a total of 40.07 acres, together with the mines and minerals, except coal, petroleum, and natrual gas, underlying the said lands, shall be and it is hereby declared to be vested in His Majesty King George V. for the purposes of the Province of British Columbia.

(Signed) E. J. LEMAIRE,  
Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior, 1170-ap29
